INTERNSHIPS

CRECIEN TECH INFOSYSTEM | WEB DEVELOPMENT INTERN

FEB 2023 - APR 2023 | Bangalore, India

- It was a great Experience.
- Nodejs and React have been used in projects I've created.
- As standalone projects, I created my portfolio, Newsletter App, and Keeper App.
- We created a Shop Wave commerce website as a group effort.

COMPSOFT TECHNOLOGIES | WEB DEVELOPMENT INTERN

JUN 2023 - JUL 2023 | Bangalore, India

- The fact that this was my first internship made the experience more memorable.
- With MySQL serving as the backend, we have created the store my results application.
